Dear Mr President

I would like to say many thanks and appreciation to your efforts to create religious harmony and global peace in the world. Now I wish to bring a matter of urgent importance that needs your attention on SOS basis. An immediate and serious notice of the heart-breaking incident that took place in different Islamic countries of the world against the very humiliating, disturbing and disgraceful video film namely "Innocence of Muslims" that has hurt the feelings of over one billion Muslim population throughout the world. This video film has presented the false, very untrue and negative image of the Prophet Muhammad (Peace be upon him), which is not only unacceptable, unbearable, extremely provoking but also intolerable for the Muslims.

Please use your good offices to promote respect amongst the faith and belief of everyone according to the declared norms of the United Nations. Please try to understand the pain and mental torture Muslims of the world went through as a result of this horrific video, which has been maliciously created to promote religious hatred amongst human beings living throughout the world having different religious faith and beliefs.

Please use all your positive efforts to stop the promotion of hatred, animosity, confrontation and condemn these acts done by anyone belonging to any religion. I humbly, honestly and sincerely request all to promote religious harmony, fraternity and to create respect in all the religions for each other and in my opinion this is a key to built global peace.

Please pay attention to my humble request and take immediate and urgent notice as per the norms and convention of the United Nations to ban this film as well as take measures against those who created this confrontatory mess amongst the masses of the world. I also request the world leaders to condemn this film, which is trying to destroy and sabotage religious harmony, religious fraternity, tolerance, religious respect for the peace of the global world.

I strongly condemn the film and its creators and term it as creating religious hatred. I and my party the MQM firmly believes in religious harmony, interfaith harmony and respect for all religions, faiths and beliefs. MQM strives to promote global peace throughout the world.

Yours sincerely
